Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

HOLMBY PARK

- **Ok to have catering at Holmby park 09/25/2018 (please review plot plan)**
- **Ok to set up pop up tents on the grass for breakfast catering 7am-2pm.**
- **Ok to have pop up tents, tables and chairs**
- **Company may not obstruct the sidewalk, concrete walkways or the dirt/grass jogging path. The public cannot be denied access.**
- **Joggers/walkers/dog walkers cannot be denied access to the sidewalk, the concrete walkways and the dirt/grass jogging path.**
- **Cannot impede park patrons from park activities.**
- **Cannot interfere, prevent, or clear park patrons from the location of filming.**
- **Must work around maintenance activities.**
- **Must adhere to Monitors instructions, when applicable. Monitor's instructions or judgment may override written guidelines.**
- **May not drive on any park service road or grass areas.**
- **Use of City utilities (water and electricity) is $75 per use, per day and the company will be invoiced by the Park Film Office.**
- **No simulated sex allowed on Park property.**
- **No nudity allowed on Park property**
- Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.
- Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.
- Film permits do not provide exclusive use of a park or recreation area.

DRAFT NOT FOR PERMIT

- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property.
